

TOWNSFOLK

Washerwoman

You start knowing that 1 of 2 players is a particular Townsfolk.

Grandmother

You start knowing a good player & their character. If the Demon kills them, you die too.

High Priestess

Each night, learn which player the Storyteller believes you should talk to most.

Chambermaid

Each night, choose 2 alive players (not yourself): you learn how many woke tonight due to their ability.

Mathematician

Each night, you learn how many players' abilities worked abnormally (since dawn) due to another character's ability.

Flowergirl

Each night*, you learn if a Demon voted today.

Engineer

Once per game, at night, choose which Minions or which Demon is in play.

Seamstress

Once per game, at night, choose 2 players (not yourself): you learn if they are the same alignment.

Professor

Once per game, at night*, choose a dead player: if they are a Townsfolk, they are resurrected.

Princess

On your 1st day, if you nominated & executed a player, the Demon doesn't kill tonight.

Alchemist

You have a Minion ability. When using this, the Storyteller may prompt you to choose differently.

Banshee

If the Demon kills you, all players learn this. From now on, you may nominate twice per day and vote twice per nomination.

Tea Lady

If both your alive neighbors are good, they can't die.

OUTSIDERS

Drunk

You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

Tinker

You might die at any time.

Plague Doctor

When you die, the Storyteller gains a Minion ability.

Damsel

All Minions know a Damsel is in play. If a Minion publicly guesses you (once), your team loses.

MINIONS

Witch

Each night, choose a player: if they nominate tomorrow, they die. If just 3 players live, you lose this ability.

Pit-Hag

Each night*, choose a player & a character they become (if not in play). If a Demon is made, deaths tonight are arbitrary.

Xaan

On night X, all Townsfolk are poisoned until dusk. [X Outsiders]

Scarlet Woman

If there are 5 or more players alive & the Demon dies, you become the Demon. (Travellers don't count.)

Boffin

The Demon (even if drunk or poisoned) has a not-in-play good character's ability. You both know which.

DEMONS

Ojo

Each night*, choose a character: they die. If they are not in play, the Storyteller chooses who dies.

Vortex

Each night*, choose a player: they die. Townsfolk abilities yield false info. Each day, if no-one is executed, evil wins.

Leviathan

If more than 1 good player is executed, evil wins. All players know you are in play. After day 5, evil wins.

Djinn

Use the Djinn's special rule. All players know what it is.

The Chambermaid can detect if the Mathematician will wake tonight.

The Mathematician might learn if the Drunk's ability yielded false info or failed to work properly.

If the Alchemist has the Boffin ability, the Alchemist does not learn what ability the Demon has.

If the Storyteller would gain the Scarlet Woman ability, a Minion gains it, and learns this.

If a Pit-Hag creates a Damsel, the Storyteller chooses which player it is.

The Demon cannot have the Drunk ability.

If the Vortex kills the Banshee, all players learn that the Banshee has died.

If the Leviathan is in play and the Grandchild dies by execution, evil wins.

Each night*, the Leviathan chooses an alive good player (different to previous nights): a chosen Banshee dies & gains their ability.

The Leviathan cannot enter play after day 5.

RECOMMENDED TRAVELLERS

Harlot

Each night*, choose a living player: if they agree, you learn their character, but you both might die.

Matron

Each day, you may choose up to 3 sets of 2 players to swap seats. Players may not leave their seats to talk in private.

Apprentice

On your 1st night, you gain a Townsfolk ability (if good), or a Minion ability (if evil).

Scapegoat

If a player of your alignment is executed, you might be executed instead.
